Coast to coast, from Shoshone to Sierra,
Gallatin to Davy Crockett, Cherokee to
White Mountain, they are more than our
National Forests. They are national treasures.

They thrill us with towering majesty and
inspire us with breathtaking beauty. They
provide wood for our homes, habitat for wild-
life, clean air, and drinking water for millions
of us. But they are being destroyed as never
before, by disease and insects — and devas-
tating fires.

The Arbor Day Foundation asks for your
help in replanting our National Forests — to
restore their life-giving benefits and their
awe-inspiring splendor. We'll do it one tree
at a time. And the trees will become a forest.
And the forests will be our future.

Visit arborday.org.

See what we're doing. See how you can help.
